

Dear Acquisitions Librarian,

I would like to recommend that the library subscribe to the digital journal *Forum*, published by the Westar Institute. *Forum* features articles on the historical Jesus, Christian origins, and related topics. Included in the pages are many of the papers that inform the deliberations and conclusions of Westar Institute Seminars, including the Jesus Seminar.

This peer-reviewed journal is recommended for scholars and advanced students of religion. It is now available in a new electronic format under the leadership of editors Clayton N. Jefford, Saint Meinrad Seminary and School of Theology, and Nina E. Livesey, University of Oklahoma. The journal appears twice a year, in April and October.

For more information, including a complete index of journal contents, visit *Forum* online: [westarinstitute.org/resources/forum/](http://westarinstitute.org/resources/forum/)

I recommend the journal for the following reasons:

- Personal Affiliation:** I am a contributor to/advisory board member of the journal. I use it frequently in my work and regularly recommend articles to colleagues and students.
- Benefit for Library:** This journal will add to the library's success in fulfilling department, faculty, and student needs.
- Reference:** I regularly refer to this journal for new research articles related to my work.
- Student Readings:** I refer my students to this journal to assist their studies.
